Productive Luddite : Screenwriter's Notebook: Advanced Storytelling Technology before purchasing it in order to gage whether or not it would be worth my time, and all praised Screenwriter's Notebook: Advanced Storytelling Technology:

1 of 1 people found the following review helpful. Great for organization and focusBy CreativeServingCreatorThis is perfect for me. I get distracted when I work on computers and sometimes can't use a computer (when traveling or in class), so this notebook is perfect for writing my script and organizing my thoughts all in one place.0 of 0 people found the following review helpful. men, live and learn.By Mr. OlympiaI'll be honest, nothing beats regular note paper and index cards, but I thought I'd give it a shot. Suffice to say, my son uses it as a doodle covered notepad. Not very useful to a seasoned screenwriter.1 of 3 people found the following review helpful. Why no reviews?By Kindle CustomerThis notebook should be considered by anyone looking for a well made, softbound cover, journal for daily use. The paper is deceptively strong and smooth enough for fountain pen ink, and with enough grip for pencil. Actually, this is one of the best papers I have seen for pencil writing and erasing. I recommend and don't understand

why this is not more popular. Or is it possible that Luddites only use the computer to buy, but refuse to further participate?

The Screenwriter's Notebook is a notebook for scriptwriters. It contains a hundred note pages specially lined for handwriting a screenplay in standard format.
