Fast delivery, too.0 of 0 people found the following review helpful. Great to have with very useful information.By R. McClintickAs yet unused by me for the business, but it's great to have very useful information to reference before starting too. This book has assisted me in formulating more

plans for use in the business as well as giving me ideas to manage the production wisely. The links to websites and to other books of information has been very good for me also. 0 of 0 people found the following review helpful. I found everything in this book to be true. ...By cindy scarpelliI found everything in this book to be true. Yes, the writer has had the experience of writing for Hollywood and his comments are beneficial.

Ury covers ground from developing a marketable screenplay, to creating viable villains, to writing effective set pieces, to how to please professional readers and studio execs.
