**Melvyn Douglas, Tom Arthur : See You at the Movies: The Autobiography of Melvyn Douglas** before purchasing it in order to gauge whether or not it would be worth my time, and all praised See You at the Movies: The Autobiography of Melvyn Douglas:

0 of 0 people found the following review helpful. Five Stars By Robert D. Monsour Such a witty, erudite, charming man. 5 of 6 people found the following review helpful. 100% Satisfied By saston Arrived quickly and in perfect shape. Enjoyed it immensely not only for the charm and humour of Melvyn Douglas, but found it interesting for the historical references re American theatre and politics.

A memoir written from the viewpoint of veteran film, television and stage actor, Melvyn Douglas. This actor's performance career spanned 60 years in Hollywood and New York and brought him two academy awards, a Tony and an Emmy) the film, Broadway and television 'Grand Slam' of the acting world. This Americanist self-portrait is a vivid record reflecting the artistic and historical worth of the material as well as the actor's considerable charm.

Co-author Tom Arthur...met Douglas for the first time when he was a teenager and Douglas was appearing in Time Out for Ginger in Chicago in 1953. The two began working on the book together in 1971. The result is a gem, a story told with spirit and humor and a generous smattering of bawdy anecdotes that is easy to recommend to both actors and non-actors alike. (Dramatics)...reading 'See You at the Movies' is fun. (New York Times Book )...fascinating, chummy

and unaffected, as intimate as a personal letter. There is much in this cozy, readable book that is just plain enjoyable. (Richmond Times-Dispatch)...written in Douglas's always thoughtful, articulate style.... (American Journalism)...informative in such a way that it'll more than satisfy movie historians and gossip enough to make other readers happy, too....See You at the Movies is thoroughly enjoyable....a good job overall. Read it. (The West Coast Of Books)...informative in such a way that it'll more than satisfy movie historians and gossip enough to make other readers happy, too....See You at the Movies is thoroughly enjoyable....a good job overall.
