Editors of Phaidon Press : Sempe Journal (Stationery) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sempe Journal (Stationery):

0 of 0 people found the following review helpful. beautifully made, exquisitely crafted By kwidprokuo (This was a gift for someone else.) But I liked how the pages have different rulings, the images are poignant, and the cover is with lovely blue fabric and had a tag. I hope the recipient liked it as much as I enjoyed picking it out.

This charming travel journal features vacation-themed illustrations by Jean-Jacques Semp, one of the most successful and best-loved cartoonists in the world. The journal mixes Semp's illustrations with blank, lined, and graph paper, and

features an unusual tie fastening. Small paper envelopes are sewn into the binding, perfect for collecting small souvenirs such as paper tickets and postcards. This journal is an ideal gift for any traveler and the perfect accompaniment for any excursion.
