**William C. Cline : Serials-Ly Speaking: Essays on Cliffhangers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Serials-Ly Speaking: Essays on Cliffhangers:

This collection of essays (first published in Big Reel) lovingly recalls the glory days of the movie serial. The primary focus is on the fans of the serials-what they thought of them in their heyday, what they think of them now, and why these episodic tales are still so popular. Preceding each article is a brief commentary about the essay explaining why the topic was chosen and the reader response it evoked when first published.
