By Mycki Milanda
I ordered this book thinking stories that make you laugh are good for you, but to be honest, I was very disappointed in it. Although I read a little of it, the stories didn't seem funny to me. Oh, there was a sentence or two that might make you chuckle, but this is not the best work from these ladies of faith. I have read other things by at least some of them that did provoke side splitting laughter. My advice is that if you want a book that makes you laugh, choose a different one.
