Briggs This screenplay gives more insight into the minds of Peter and David Helfgott and the absolutely stunning film. The action is clearly explained, making it that much easier to understand the plot. A great book!

Shine is the true story of David Helfgott, a brilliant pianist whose musical gift is nearly compromised by the emotional strain of his personal life. A child prodigy whose interpretive genius promised a brilliant career as a concert pianist, David grew up under the tyrannical parenting of his father. Their turbulent relationship almost destroys David's promise and threatens his fragile mental balance. When an unlikely romance with a remarkable woman brings stability to David's chaotic world, he returns to concert performance in triumph. Freed from the difficult legacy of his father's influence, his musical talent prevails.
