Bob Carruthers : Shooting the Somme before purchasing it in order to gage whether or not it would be worth my time, and all praised Shooting the Somme:

A new book on how the iconic film was made and certain scenes were faked

About the AuthorBob Carruthers is an Emmy Award winning author and historian, who has written extensively on the

Great War. A graduate of Edinburgh University, Bob is the author of a number of military history titles including the best seller *The Wehrmacht in Russia*.
