John Burkhart : Shootout At Sadie's Saloon before purchasing it in order to gage whether or not it would be worth my time, and all praised Shootout At Sadie's Saloon:

A two-act melodrama about the old west and the evils of alcohol. It seems everybody in town wants Sadie Spencer and her sister Sally to get rid of their late father's saloon. Temperance movement stalwarts Hazel Hoochater and Prudence Purewater are determined to close the saloon down, and notorious gambler Dirk Devious has plans to obtain control of

the saloon by fair means or foul. Sadie's sweetheart Clint Cactus wants Sadie to sell the saloon and marry him. Will Dirk succeed in his evil plans? Or will he and Clint have a....Shootout at Sadie's saloon!
