**Billy Bob Thornton : Slingblade (Screen and Cinema)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Slingblade (Screen and Cinema):

Sling Blade won the 1997 Academy Award for best original screenplayKarl has just been released from an asylum

some twenty-five years after he committed a gruesome murder, returns to the town of his youth. His gentle manner and simple charm land him a job, and lead him into an unlikely friendship with a young boy and his widowed mother. But when the mother's abusive boyfriend appears, this simple man is thrust into a combustible situation that could have powerful, moving consequences for all. Billy Bob Thornton is one of Hollywood's most promising writer/directors, and *Sling Blade* was shown at the 1998 London Film Festival to great acclaim
