Rob Brydon : Small Man in a Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Small Man in a Book:

2 of 2 people found the following review helpful. Small Man in a BookBy CustomerRob Brydon would have to be one of the funniest, most personable people on this planet whilst this book is not always laugh out loud funny, it is an enjoyable read one that I would recommend highly.Rob's story so far, shows the ordinary person that everyone starts out as ordinary it's what they do with their lives that makes them extraordinary. Rob's determination tenacity allowed

him to keep going when other people may have thrown in the towel gotten a "normal" job. I first saw Rob in a TV series called "Supanova", which is where this book ends, so it was great to find out about his beginnings. 0 of 0 people found the following review helpful. DisappointingBy Ella McEwanApparently written because someone said, "Write a biography Rob, every comedian is doing it." This story is dull because... nothing happens. Rob Bryden has a comfortable and happy childhood - read all about it. There is very little insight into what makes him tick and it left me wondering where his inspiration comes from. I think the title is very telling and an analogy for the whole book. There is no reference to the small man in the box in the book but it has obviously been assumed that everybody knows about it so it's ok to reference it, or if you like, trade on it. Similarly, Rob Bryden is famous. Therefore It doesn't matter if the book isn't very good, you can trade on his fame to sell it. Mad if you don't. Too harsh? 4 of 4 people found the following review helpful. Nothing Small About this BookBy JWRob Brydon captures his life as a young child and teenager in Wales in the most evocative way. I loved the references to 80's music and bands, and the influence they had on him as a young person, it was imagery that we can all relate to. He depicts his family in the warmest way, and it was lovely to be able to share that experience. His humour is woven throughout the story, always subtle and engaging. A great read I would recommend to anyone born in the 60's.

Rob Brydon tells story of his slow ascent to fame and fortune in *Small Man in a Book*. A multi-award-winning actor, writer, comedian and presenter known for his warmth, humour and inspired impressions, Rob Brydon has quickly become one of our very favourite entertainers. But there was a time when it looked like all we'd hear of Rob was his gifted voice. Growing up in South Wales, Rob had a passion for radio and soon the Welsh airwaves resounded to his hearty burr. However, these were followed by years of misadventure and struggle, before, in the TV series *Marion and Geoff* and *Gavin and Stacey*, Rob at last tickled the nation's funny bone. The rest, as they say, is history. Or in his case autobiography. *Small Man in a Book* is Rob Brydon's funny, heartfelt, honest, sometimes sad, but mainly funny, memoir of how a young man from Wales very, very slowly became an overnight success. Rob Brydon was brought up in Wales, where his career began on radio and as a voiceover artist. After a brief stint working for the Home Shopping Network he co-wrote and performed in his breakthrough show, the darkly funny *Human Remains*. He has since starred in the immensely popular *Gavin and Stacey*, Steve Coogan's partner in *The Trip*, and was the host of *Would I Lie to You?* and *The Rob Brydon Show*. He now lives in London with his wife and five children.

About the AuthorRob Brydon is the award winning star of many critically acclaimed comedy series, from the darkly funny *Human Remains* and immensely popular *Gavin and Stacey* to his recent outing alongside Steve Coogan in Michael Winterbottom's *The Trip*, as well as host of *Would I Lie to You?* and *The Rob Brydon Show*. Rob has five children and lives in London.
