David Marshall Grant : Snakebit - Acting Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Snakebit - Acting Edition:

5 of 5 people found the following review helpful. AMAZING!By Victor S. RodriguezI just now finished Snakebit and let me say that i have never read anything that made me care for the characters so much. I was literally sad when the story ended because i wanted more of these people but the story had already ended. If somebody asked me what good plays they should read I would definitely reccommend this one. It was great!
