**William G. Smith : Socrates and Subtitles: A Philosopher's Guide to 95 Thought-Provoking Movies from Around the World** before purchasing it in order to gage whether or not it would be worth my time, and all praised Socrates and Subtitles: A Philosopher's Guide to 95 Thought-Provoking Movies from Around the World:

A sequel to the author's earlier work *Plato and Popcorn: A Philosopher's Guide to 75 Thought-Provoking Movies*, this book presents analyses of 95 movies from the Americas and 20 other countries. Each entry includes a brief introduction to the film along with a list of philosophical questions to ponder after viewing it. Most entries also include a list of additional recommended films. The films cover a wide range of genres and topics--from the haunting tale of doomed Polish freedom fighters in Kanak's *World War II Warsaw* to the romantic and passionate story of rekindled love in Australia's *Innocence*.

"a practical and entertaining read...a gem...a worthwhile addition"--AARBA. About the Author William G. Smith is chair of the philosophy department at Millersville University of Pennsylvania.
