When I tried to read it, I found the print was so small, it was completely unreadable, but now it is over 7 days so I cannot return it. I tried enlarging the print, but that didn't help. So glad I didn't pay a lot for this book, but still - no sense in spending even \$2 on something that

can't be read. Very disappointing. (Funny - I can actually read the page if I take a picture of my Kindle, then enlarge the photo on my phone... But to read it directly from the Kindle just doesn't work.) 0 of 0 people found the following review helpful. Not a great reproduction but interesting. By Ken in WA. Its pages of photos of the original book photographed in BW. Interesting view.. but it could have been done better. I drove to Dawson City with my father not even knowing until we started the trip that it was the works of Robert Service that was pulling us north.. So I am always looking for a new way for him to experience these works that affected him from his youth. This is different from just a book.. but it could have been done so much better. 0 of 0 people found the following review helpful. I'm glad I didn't spend more than \$1.99. By JDAI. I saw from the previous reviews that the print is too light to read on a Kindle but I thought that meant that maybe if you just strained a little you could read it. However, I found out that what they were saying is true. I can't read it; the printing is too light. I'm glad I didn't spend more than \$1.99 on it.

About the Author Robert William Service (1874-1958) was a British-Canadian poet and writer who has often been called "the Bard of the Yukon". Service is best known for his poems "The Shooting of Dan McGrew" and "The Cremation of Sam McGee", from his first book, *Songs of a Sourdough*. "These humorous tales in verse were considered doggerel by the literary set, yet remain extremely popular to this day."
