Terence David John Pratchett : Sourcery (Discworld. the Unseen University Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sourcery (Discworld. the Unseen University Collection):

There was an eighth son of an eighth son. He was, quite naturally, a wizard. And there it should have ended. However (for reasons we'd better not go into), he had seven sons. And then he had an eighth son... a wizard squared... a source of magic... a Sourcerer. Sourcery sees the return of Rincewind and the Luggage as the Discworld faces its greatest - and funniest - challenge yet.
