Caroline Joan S. Picart, John Edgar Browning : **Speaking of Monsters: A Teratological Anthology** before purchasing it in order to gage whether or not it would be worth my time, and all praised Speaking of Monsters: A Teratological Anthology:

Employing a range of approaches to examine how "monster-talk" pervades not only popular culture but also public

policy through film and other media, this book is a "one-stop shop" of sorts for students and instructors employing various approaches and media in the study of "teratologies," or discourses of the monstrous.
