Cinema tragedyBy CustomerI remember watching the news on tv that Friday night back in 1982 about the horrific crash that killed Vic Morrow and the 2 kids. What a shame.I also read the other book on the subject "outrageous Conduct". These tragedies didn't need to happen2 of 3 people found the following review helpful. Great in-depth explanation of the trial and why John Landis was not convicted ~ as he should have been.By A. MichenerI have always been interested in the trial of John Landis for the deaths of Vic Morrow and the two children during the filming of the Twilight Zone Movie, and have wondered why he in particular was not convicted. This book goes into the detail of the trial and answers as much as possible why this occurred.0 of 1 people found the following review helpful.
