Detailed and compelling, summaries are concise and direct. Spoilers everywhere. Didn't know how much the Star Wars Universe has grown. Excellent book.1 of 3 people found the following review helpful. great bookBy Barbara Millerthis is a great book. kinda wish it covered more of the comics, but other than that, it is a great book.7 of 10 people found the following review helpful. A MUST HAVE for STAR WARS fans!By Betty DravisDespite the flaws mentioned by one reviewer, this book is a MUST HAVE for all STAR WARS fans. Yeah ... sure, it's missing some things, but what it DOES contain is awesome. Wild, colorful, fantastic art makes up for any flaws; besides there may be a second one to make it more complete.Highly
