George Lucas, Min Choi : Star Wars Episode I: The Phantom Menace Movie Storybook before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Wars Episode I: The Phantom Menace Movie Storybook:

The storybook of Star Wars I: The Phantom Menace is filled with photography from the movie. The book is written at about a 4th grade reading level and is a favorite classroom library book for grades 2nd to 4th and makes a nice Star Wars collectable as well.
