Christopher Cerasi : Star Wars Fandex Deluxe Edition (Fandex Family Field Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Star Wars Fandex Deluxe Edition (Fandex Family Field Guides):

We have other versions of Fandex Field guides and we absolutely love them, and I would give them 5 stars as a product. Unfortunately, the packaging of the one that was sent to use had obviously been opened and damaged, and then was taped back together. Several of the pages also showed wear and were bent on the edges. I find this unacceptable as the item was supposed to be "new," but since I didn't think my son would mind, I decided to keep it and save myself the hassle of returning it. I would certainly buy Fandex products in the future, but I am unlikely to buy them from .0 of 0 people found the following review helpful. Love this Fandex Star WarsBy C. Both boys have enjoyed having all this information in one spot and the Fandex idea provides a "neat" way to provide this info.

Aren't we lucky! Star Wars Fandex Deluxe is a perfect meeting of format and content, bringing all the virtues of Fandex to the supergalactic saga of our times, delivering an obsessive deck for the obsessive fan (and the perfect cheat sheet for parents who want to know what their kids are talking about). Darth Vader. Obi-Wan Kenobi. Luke Skywalker. Han Solo and Chewbacca, Emperor Palpatine, Padm Amidala, Darth Sidious, Boba Fett, Qui-Gon Jinn, and, of course, Yoda, C-3PO, R2-D2, and Jabba the Hutt in die-cut card after die-cut card, Star Wars Fandex Deluxe celebrates the pantheon of immortals from the Star Wars galaxy. Star Wars Fandex Deluxe is authorized by and written in close collaboration with Lucasfilm. This deluxe title comprises 75 die-cut cards, 50 percent more than standard Fandex, and it includes not only the beloved characters, but also starships, droids, gadgets, and more. And the text is packed with fascinating information. Get to know the other Jedi Knights, like Plo Koon and Shaak Ti. The difference between a clone trooper and a stormtrooper. The architects of the Death Star. Plus the secret of Darth Vader's paternal lineage, why there can be only two Sith Lords at any given time, and much more. It's the essential Fandex for every Star Wars buff.

From the Back CoverBringing the world of Star Wars to your fingertips, Fandex celebrates the most supergalactic saga of our times in a deluxe edition of 75 cards. The characters, creatures, droids, ships, and planets are all here, brought to life in full-color die-cut images and riveting text. What's the difference between a clone trooper and a stormtrooper? What are the tenets of the Jedi Order? What are midi-chlorians? Plus: Anakin's mysterious origins, the rise of Emperor Palpatine, the Tarkin Doctrine, forms of lightsaber combat, types of starships including that retooled junk heap called the Millennium Falcon, Boba Fett, General Grievous, Jedi, Sith, and so much more.
