Beautiful but lacking in substance By Dylan Hentchel Beautiful but lacking in substance. Ultimately this is an art book and the art is really nice. The book is very large and best serves a coffee table sitter. Wouldn't honestly recommend it, but I doubt anyone who wants it would regret buying it. 0 of 0 people found the following review helpful. Great book for your Star Wars collection By Joe Cool Great book for your Star Wars collection. Good stories and recaps on the major Star Wars battles. Art work is nice and original.
