I like that the book has Anakin and all the other Clone Wars characters. I like the whole book even the bad guys. People should buy this book, but they should not take ours because I want to keep it forever."0 of 0 people found the following review helpful. Five StarsBy JimGood0 of 0 people found the following review helpful. Great Quality and DurabilityBy JasedI bought this for my 11 year old son and he loves this book. We were debating whether or not to get the hardcover, but I have to say that this is a quality soft cover and has withheld some little brother abuse as well. Colors are bright and pages are of higher quality then most paperbacks. Also the price difference cannot be overlooked.
