Kim Holston : Starlet: Biographies, Filmographies, TV Credits and Photos of 54 Famous and Not So Famous Leading Ladies of the Sixties before purchasing it in order to gage whether or not it would be worth my time, and all praised Starlet: Biographies, Filmographies, TV Credits and Photos of 54 Famous and Not So Famous Leading Ladies of the Sixties:

2 of 2 people found the following review helpful. It was nice to see many starlets that guest starred on many ...By NeallIt was nice to see many starlets that guest starred on many of the tv shows in the 50's 60's. Several pictures of each were included but the biographies are very short from 1 to 2 pages long. If you're looking for a quick read with some nostalgia this is a good book. If you're looking for a lot of history or details of each starlet then this is not for you.1 of 1 people found the following review helpful. One StarBy Greg LawsThe book was missing pages. They were not torn out just missing from when this copy was printed.4 of 4 people found the following review helpful. The starlets of the 1960'sBy amoviefanA wonderful book with 54 short but sweet biographies of those that went onto stardom and those who faded after the era. Everyone from Raquel Welch and Sharon Tate to Stella Stevens and Natalie Wood. Includes 2-4 pictures of eash actress and filmographies. Very good book for fans of the fabulous sixties. Since it's out of print, it's nice to find it here on .

Young actresses were signed up by the hundreds in the 50s and 60s with minor roles to test out for stardom. From the now-forgotten to superstars, this volume details 54 careers, including material from the starlets themselves and critics.

"bibliographies and index are excellent...fills a gap...a welcome change" -- Film Annual
"film buffs...will find much enjoyment here...filled with useful data" -- Classic Images
"major female film and television stars of the 1960s" -- Sightlines
"remarkable" -- Burlington County Times
