Greg Dean : Step By Step to Stand-Up Comedy, Workbook Series: Workbook 1: How to Write Jokes before purchasing it in order to gage whether or not it would be worth my time, and all praised Step By Step to Stand-Up Comedy, Workbook Series: Workbook 1: How to Write Jokes:

1 of 1 people found the following review helpful. Not BadBy Mr. CI'm very satisfied with my order but the shipping was a little slow.2 of 3 people found the following review helpful. Is this what you really want?By PaulUnfortunately I mistakenly purchased this thinking it was Greg Dean's Step by Step to Stand-Up Comedy book. This book is pretty basic and has approx. 5 one liners in it including - My wife ran away with my best friend (you will read the punchline to this many times in the book). There is a lot of white space to this book. If his other exercise books are similar

honestly think Greg could have published all 5 exercise books in the one book. Another annoying thing is often you are told to go from the page you are reading (page 20) to page 29, 30 31 and then go back to page 20. This happens more than once. Honestly think the true value of this book is \$1.99 or less.3 of 3 people found the following review helpful. This book is great because it definesBy Victor SonoraThis book is great because it defines, and teaches what a joke is, and how to write a joke. Joke writing is essential if you want to be a comedian, t.v. writer, and anything you want to make funny.

Learn joke structure and then write jokes using Deans original joke writing system the Joke Prospector. This companion workbook turns each joke writing technique, from Chapters 1 and 2 of the paperback, eBook, or audio book of Step By Step to Stand-Up Comedy, into exercises, so now anyone, including you, can learn and practice the skills of writing funny jokes.

About the AuthorGreg Dean has been teaching and writing about the fundamentals of joke writing and performing stand-up comedy for thirty plus years. When he began, Dean quickly realized there were no documented fundamentals for teaching comedy. So, for the past three decades hes made it his lifes mission to identify, name, and teach the basic techniques used by all great joke writers and comedians. These fundamentals were first published in his paperback, ebook, and audio book Step By Step to Stand-Up Comedy. Now, these same joke writing and performing techniques are available as a series of exercises in his Step By Step to Stand-Up Comedy - Workbook Series.
