About the AuthorGreg Dean has been teaching and writing about the fundamentals of joke writing and performing stand-up comedy for thirty plus years. When he began, Dean quickly realized there were no documented fundamentals for teaching comedy. So, for the past three decades hes made it his lifes mission to identify, name, and teach the basic techniques used by all great joke writers and comedians. These fundamentals were first published in his paperback, ebook, and audio book Step By Step to Stand-Up Comedy. Now, these same joke writing and performing techniques are available as a series of exercises in his Step By Step to Stand-Up Comedy - Workbook Series.
