He respects his craft and honors those who have come before him. Each new collection is a treasure that I carefully store on my bookshelves, waiting patiently for my grandchildren to get old enough to appreciate them.2 of 2 people found the following review helpful. Great funBy Roger FarnhamPastis is a master of the pun. His Pearls books are always hilarious and this one is no exception. I own all his Pearls books and this one is one of the funniest. Buy it, sit back and laugh.0 of 0 people found the following review helpful. Love Pastis and his punsBy CustomerBought for my 13 year old granddaughter and she couldn't put it down. Some Rat!Stephan Pastis may not be the kind, selfless arachnid of E.B. Whites cherished childrens novel, but he sure can spin a story that is, if Rat, Pig, Goat, and Zebra dont swat him with a stick first. In Stephans Web, the Pearls gang continues to find that friendship and puns are the best defense against everyday predators, like self-righteous vegans, cyclists, and fruitarians.
