EarleWhoever packed this notebook at rolled it around another item I order, so it arrived all warped and twisted. I was not happy. The notebook itself is fine. Made in USA, in San Bernardino, by the way. 16:9 frames at four per page are a little smaller than I expected, at four per page, because there are also lines for writing. No worries, however, as it will still serve for small sketches. Maybe include a snapshot of a page in the photos? In any case, I will buy this again, once I am done with this one.0 of 0 people found the following review helpful. Five StarsBy Meridian SchoolThanks!1 of 1 people found the following review helpful.
