It also includes photocopies of notes that Zach took while he wrote the script.There are several scenes or parts of scenes in this script that didn't make it into the final cut.Overall, I am pleased with this purchase.0 of 0 people found the following review helpful. Five StarsBy CustomerGood condition. Thank you.2 of 2 people found the following review helpful. Best movie this yearBy Andrew H. TrotterMy choice for Best Picture but typically the Hollywood machine didn't think so enough even to nominate it. It is worth the price of a ticket jus to hear Emma Thompson deliver the punchline which I won't repeat so

as not to spoil it for those of you who really should rent this movie.

In this strange and delightful tale, an IRS agent named Harold Crick suddenly finds himself the subject of a narration only he can hear, a narration that soon affects everything from his work to his love life to his death. Starring Will Ferrell, Maggie Gyllenhaal, Dustin Hoffman, Queen Latifah, and Emma Thompson, *Stranger Than Fiction* is a heartfelt film, perhaps a comedy, perhaps a tragedy, about love and literature and death and taxes.

About the Author Zach Helm makes his screenwriting debut with *Stranger Than Fiction*. On his next film, *Mr. Magorium's Wonder Emporium*, he is both writer and director. Marc Forster is the Golden Globe-nominated director of *Monster's Ball*, *Finding Neverland*, and *Stranger Than Fiction*. He will direct the next James Bond film. David Benioff, the screenwriter, also wrote the screenplays for *Troy*, *Stay*, and *25th Hour*, which was based on his novel. Khaled Hosseini is the author of the bestselling novels *The Kite Runner* (2003) and *A Thousand Splendid Suns* (2007). Born in Kabul, Afghanistan, the son of a diplomat whose family received political asylum in the United States in 1980, he lives in northern California, where he is a physician.
