**Lynne Hibberd : Studying The Third Man: Instructor's Edition (Studying Films)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Studying The Third Man: Instructor's Edition (Studying Films):

"This guide scores well on all pointswell-prepared and helpful."In the PictureA British cinema classic reinterpreted for twenty-first century students of film and media studies. On its release in 1949, The Third Man received near-universal acclaim, and its reputation is, if anything, even higher todayit was voted the Best British Film by a British Film

Institute poll of critics and film-makers in 1999. Studying *The Third Man* applies the key concepts of film and media studies to the film and considers: The complex Anglo-American production process Whether it is a genre film or indeed 'genre defying' The ideology behind the film, and whether this has contributed to its lasting appeal The distinctive application of film-making techniques, with numerous illustrated examples Critical responses to the film Ways in which the *The Third Man* can be used to introduce students to black and white film

About the Author Lynne Hibberd is a freelance lecturer in film and is currently researching a PhD in Film Studies.
