Suicide Squad: Behind the Scenes with the Worst Heroes Ever By JMMSuicide Squad takes the DC film universe in a new and different direction by focusing on the bad guys and their stories. I have mixed feelings about the film, but overall enjoyed the experience. This companion book, "Behind the Scenes with the Worst Heroes Ever", is absolutely wonderful. It's a hybrid of a making-of journal and an art book. There's a ton of information about the movie, the cast of characters, and the filmmaking process; and it's supplemented with a bunch of imagery (including a healthy dose of concept art and set photos). Characters are front and center in the book. The text discusses the importance of each role, casting the part, and the actor's process in finding the character. The most interesting aspect is seeing the various design concepts and costume sketches - it's fascinating to see how the

look of the characters (Harley Quinn and the Joker in particular) evolved over time and eventually got to their finished form. The book devotes a fair number of pages to all members of the Squad, including the more secondary characters such as Slipknot and Captain Boomerang. My favorite portion of the book is the section "All Inked Up", which discusses the importance of the tattoos to the characters and shows in high detail the tattoos that appear on the Joker, Harley, and Diablo. The book also provides a closer look at the weapons of the film; whether a gun, a bat, or a boomerang, it's detailed in this book. Much like the Dark Knight Manual, this book is made even more interesting by the inclusion of various artifacts inserted throughout the book (some can be removed). The full list of inserts is below. List of Inserts- Waller's confidential files on the Squad members- Zoe's letter to Deadshot (removable)- Belle Reve Poster 12x14"- Diablo's Pressure Chamber blueprints (removable)- CIA Report on the June Moore incident in Peru- Joker tattoos (removable)- Joker playing card (removable)- Dr. Quinzel's Arkham Staff ID5 of 5 people found the following review helpful. I was ready for it to be like any other book based on behind the scenes of a big movie, but one cool thing that set it apart from the others was the cool props included. Within the first few pages there's the confidential files of the Squad members, there's letter's from Deadshot's daughter, postcards of each member amongst other cool things. If you're into this stuff then you probably already own this book, but if you're hesitant, I def say check it out! 2 of 2 people found the following review helpful. AMAZING AND WORTH THE MONEY! By Bee A. I was so excited to get this along with the Movie Novelization in the mail a few weeks ago. I enjoyed it and I treat it pretty much as a keepsake. The pictures and the drawings for costume ideas and character looks are amazing. Everything that is mentioned in the advertisement for this Behind the Scenes book is in here and MORE. I don't want to spill too much, but trust me...you'll love it if you loved the characters as they are portrayed in the movie. There are PLENTY of posters, post cards and other goodies in this book. I'll add a few pictures but trust me....this is only a TINY few of what is offered :)

The officially authorized companion to Suicide Squad, the eagerly anticipated film from Warner Bros. Pictures based on the DC Comics antihero team. Along with photos of the cast and crew, this lavish full-color official tie-in book will contain behind-the-scenes stories and images, removable items, and more, making it a must have keepsake for every fan! They are the worst of the worst, a task force of the most dangerous people on the planet incarcerated Super Villains unleashed to do some good. Assembled by U.S. intelligence officer Amanda Waller and armed with the most powerful arsenal at the governments disposal, the Squad is sent on a seemingly impossible top-secret mission: eradicate a powerful, enigmatic threat. But once they realize they weren't picked to succeed but chosen for their patent culpability, will the members of the Suicide Squad choose to die trying or decide its every man for himself? The blockbuster movie has a star-studded cast that includes Will Smith as Floyd Lawton/Deadshot, Jared Leto as The Joker, Margot Robbie as Harley Quinn, Joel Kinnaman as Rick Flag, Viola Davis as Amanda Walker, and many more. Special interactive and removable items in the book include a blueprint of Belle Reve prison, replicas of letters from Deadshot's daughter to her father, a Joker playing card and Joker temporary tattoos, a poster of the Suicide Squad, 6 postcards, a 16-page dossier and much more. From the Back Cover It feels good to be bad... Assemble a team of the worlds most dangerous, incarcerated super-villains, provide them with the most powerful arsenal at the governments disposal, and send them off on a mission to defeat an enigmatic, insuperable entity. U.S. intelligence officer Amanda Waller has determined only a secretly convened group of disparate, despicable individuals with next to nothing to lose will do. However, once they realize they weren't picked to succeed but chosen for their patent culpability when they inevitably fail, will the Suicide Squad resolve to die trying, or decide its every man for himself?
