Lewis A. White : Texas Hold'em Proverbs before purchasing it in order to gage whether or not it would be worth my time, and all praised Texas Hold'em Proverbs:

Fast track guide and handbook for enjoying "and sometimes even winning " Texas Hold'em. It's the best book for

beginners and casual players looking to improve, and a good read for nonprofessionals looking to hone their skills. It's only 179 5 x8 pages, including 40 pages of tournament notes and a glossary. It's highly visual with 18 illustrations and 16 tables.
