From Parragon Book Service Ltd : The 3D Sudoku Puzzle Flip Pad: Over 120 Puzzles with the Answers on the Flip Side before purchasing it in order to gauge whether or not it would be worth my time, and all praised The 3D Sudoku Puzzle Flip Pad: Over 120 Puzzles with the Answers on the Flip Side:

This terrific, new collection of over 120 3D sudoku puzzles is sure to test your spatial and number skills. Let the coloured lines guide to solve the sudoku grids that have been moulded around different three-dimensional shapes. And

it's in a great user-friendly format, too: a top-bound tear-off pad within a case to protect the book and provide a sturdy solving surface.
