Smarter Activity Books for Kids : The Adding Game - Math Puzzle Games for Ages 8+ Volume 2 before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Adding Game - Math Puzzle Games for Ages 8+ Volume 2:

For the longest time, math has been as a solitary intellectual adventure. Its time to change that. Get your children to share this math book to show to them that working together is fun. Getting two or more to work on math challenges would encourage kids to socialize and form new friendships too. Conversing in mathematical language is also practiced during the activity.
