Orion Alexander : The Adventures of Captain Sox Book 2- Blackjack's Rescue before purchasing it in order to gage whether or not it would be worth my time, and all praised The Adventures of Captain Sox Book 2- Blackjack's Rescue:

Blackjack is a large German Shepard who grew up on the mean streets of Star City. Believing he would find friendship, happiness and a good life, Blackjack was convinced to join the Darkstar Dogs by a sly cat and some of his friends. Unknown to him, this group was very evil and would steal, bully and frighten weaker animals. After several years in this group, Blackjack became very strong and powerful. One day he had a change of heart and no longer agreed with the actions of this terrible group and wanted to get out. When news of this decision reached the leaders of the Darkstar Dogs, Blackjack was attacked. Fortunately, three heroic cats came to Blackjack's rescue and saved the large dog. With the help of Max, Sox and Percy, Blackjack is given a chance to prove he is no longer loyal to his former friends. Later, that same day, Blackjack makes a decision that changes his life in an instant, as he risks his own life to save the lives of others... A few secrets are uncovered as Max learns about his mission to save the world, the amazing power of Spacecat and the true secret past of his brother Sox. Will Blackjack survive his ultimate test? How did Sox become one of the greatest super heroes of all time? Find out, as the adventure continues!
