It brought me back to the years before TV and I listened whatever I could on radio. The programs, the shows' hosts were all household names, all of whom I

clearly remembered. 0 of 0 people found the following review helpful. Five Stars By Ken Chirkis Super book on NY radio. 0 of 0 people found the following review helpful. Four Stars By Celia Osborne Fascinating

This heavily illustrated history traces the development of AM radio in the New York metropolitan area. While technical information and program schedules are fully covered, the work also provides unique insight into radio's influence on the development of the city.

"a must for anyone who is intrigued by radio's mystery and magic" -- Essex News Weekly "a substantial amount of old time radio history, well presented, about some of America's pioneer broadcasting stations" -- North American Radio Archives "a useful historical record. The...authors...have assembled a model of such a work" -- Communication Booknotes Quarterly "any devotee of old-time radio will get a kick out of [this]...a lavish pictorial history" -- Small Market Radio Newsletter "details the backgrounds, personalities, and histories of 156 AM stations in and around the metropolitan area for all the years since 1921" -- the Baldwin Citizen "first-rate...chronicles every city station from 1921 to 1996" -- New York Daily News Online "in-depth...describes the changes that took place in programming over the years and their influence on the entire country" -- The Viking News About the Author Bill Jaker is a producer for WSKG Public Television in Binghamton, New York.
