Back when people weren't afraid to up sell friends products. He does a lot of advertising but that was the way back then. I enjoyed simple breakdowns and I wish there were more illustrations, but you have to take in the Era printed in consideration. Great beginning book that is fun to read.0 of 0 people found the following review helpful. Five StarsBy The CollectorMake a great gift for the beginner magician.0 of 0 people found the following review helpful. Five StarsBy M. TesslerGreat book...primer for anyone interested in magic!

A lavishly illustrated new edition of the classic handbook for conjurers is designed to help magicians of all levels, from beginning to advanced, hone their skills at legerdemain and develop new and exciting illusions to baffle the mind.
