Roy Preston, Sue Preston : The Amazing 10,000 Quiz Challenge before purchasing it in order to gage whether or not it would be worth my time, and all praised The Amazing 10,000 Quiz Challenge:

1 of 1 people found the following review helpful. good quiz book By E. Ervin This was a book I purchased for students who were studying for their scholars bowl contests. There are tons and tons of questions and answers for the students to study. It worked really well and was most interesting. This would also be a good book to take along on a car trip for fun and games. I enjoyed reading this book and reluctantly left it at school when I retired. It is an excellent reference book. 0 of 0 people found the following review helpful. Again Trivia books are for my brother By Benjamin R. Meltzer Again. trivia books are for my brother. He was pleased. He has no computer currently so I ordered them for him. Trivia books are not my thing. but they are his. Amazing 10,000 quiz Challenge is one he didn't have. He has many Trivia books. As with the others this one wasn't written in at all 0 of 0 people found the following review helpful. Great book. By Diane C. Stoehrer Gave this to a resident at the nursing home where I volunteer. Had a great time with this.

The Amazing 10,000 Quiz Challenge is the ultimate compendium for trivia buffs. Here are enough questions (and

answers) to keep the family guessing for days on end. The book can be used to test your own powers of useless information retention or made into a quiz game for two or more players. It contains a wide variety of types of quiz: traditional quiz questions grouped according to broad subject areas; special "mastermind" subject areas where in-depth knowledge is required; and quizzes with multiple-choice answers for those who like to back their hunches. There are also picture quizzes, name-the-year quizzes, true or false and famous quotations to identify. The various types of quiz are jumbled up throughout the book and interspersed with 12 feature quizzes with a celebratory or seasonal theme (i.e. Christmas Quiz, Halloween Quiz, Summer Quiz, etc.)

Introduction Can you guess how many quiz questions there are in this book? Here's a clue -- the book is called the AMAZING 10,000 QUIZ CHALLENGE! Any nearer? If you think that there may be a few hundred questions, or if you don't have any ideas, then perhaps this book is not for you! On the other hand, if you like lots of questions -- 10,000 of them -- and you enjoy a wide variety of quiz types, then this is most definitely the book of your dreams! There are straightforward quizzes that each contain 20 questions, and all you have to do is answer them! These quizzes are arranged in broad subject areas, such as AT THE MOVIES, TELEVISION and GENERAL KNOWLEDGE. There's a colorful icon above each quiz to help you find your way around the book. In addition, there are some more specialized quizzes. So, for example, in a quiz headed SPORT you could come across a question about anything sporting, whereas some quizzes are about individual sports, such as TENNIS or personalities, such as DAVID BECKHAM. Throughout the book there are feature quizzes linked to calendar dates and the seasons of the year. We up the question count to 50 for these double page specials. We like to provide you with different types of quizzes, and you will find plenty of the following... MULTI-CHOICE. You have to decide which of the three given answers is the correct one. TRUE OR FALSE. Can you call our bluff and decide which statements are true and which are false? NAME THE YEAR. Identify the year in question from some headlines of the time. DOUBLE TAKE. A quiz for the two-faced, where two different questions lead to the same answer. PICTURE QUIZZES. In each quiz we play some tricks with pics! There are famous faces to identify and some crafty connections to track down! WHO SAID... ? Match the quotation to the speaker. GUESS WHO... ? Identify the personalities from the few selected facts. PLUS many QUICKFIRE QUIZZES where you can show your expert knowledge or total ignorance about subjects varying from capital cities to international sports stars. The quizzes are NOT graded in levels of difficulty. The downright obscure will be found rubbing shoulders with questions that most of us will have no problems in answering. You may have sailed through questions 1 to 19, only to find that you get sunk on the final one. This book is packed with color and cartoons, highlighting the fact that quizzes are here to entertain you. The main thing about all quizzes is that they are meant to be fun! There is a certain satisfaction in the knowledge that you know more about Bolivian poets than anyone else in the room, but we strongly suggest that the winner-takes-all attitude is not the best one to have... and anyone who shows signs of Quiz Rage should have a break from answering questions for a while. Whether you are a complete quiz novice or an expert, this collection of quizzes will provide you with hours of entertainment. Excerpt. Reprinted by permission. All rights reserved.
