Troy Schmidt : The American Bible Challenge: A Daily Reader Volume 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Bible Challenge: A Daily Reader Volume 1:

0 of 0 people found the following review helpful. Perfect for my family By C. Willeford I have never even heard of the game show. Came across this book when I was looking for a devotional to do with my family. We have only had it three days and have done the first two devotions. I have heard the story of Noah and Moses over and over and over,

but with the questions in the book I learned a few new things. I had also read another review before I bought it and they mentioned the read the questions to their kids before they read the Bible passage. I did that and also noticed my kids listened better and got so excited when they heard me read something that was one of the answers. Great devotional! 0 of 0 people found the following review helpful. This is a worthwhile purchase. By Andrea Lee Shuey It has a brief Bible reading and follows that with a comment on how that section is relevant today. These comments often are spot on. The last part is a set of about five questions on the Bible reading itself, which might include referrals to other Bible sections. The lesson is fairly brief, but can promote further thought. 0 of 0 people found the following review helpful. Good Bible review:) By Miriam Grissom A quick interesting read. I use it as part of my daily devotional study.

A fun and challenging way to dig into the Bible In fall 2012, a new show premiered on the Game Show Network that quickly surprised Hollywood. Hosted by Jeff Foxworthy, The American Bible Challenge built up an audience of 2.3 million viewers in just nine weeks, making it the highest-rated show ever in GSN history. By taking on unique questions spanning all of Scripture, teams excitedly won money, not for themselves, but for a favorite charity. The interest has grown so fast in recent months, a second season hits the airwaves in March 2013. Now, the consulting producer for the show, Troy Schmidt, with a foreword written by host Jeff Foxworthy, has released a daily reader based on The American Bible Challenge designed to take us deeper into the questions from the show and the life applications that they inspire. Using many of the questions from the first season as a guide, each day features an inspiring lesson along with five challenging Bible questions to take you deeper into Scripture. The book guides the reader through nine weeks of study and encouragement the same length of time as a season of The American Bible Challenge with over three hundred questions to test your Bible knowledge. And don't worry, all the answers are in the back. The American Bible Challenge Daily Reader includes questions to deepen your knowledge and to change your life. Are you ready to jump in and take the challenge?

About the Author Troy Schmidt began writing animation in 1985 for Dennis the Menace and Heathcliff. He also wrote for The Mickey Mouse Club for three seasons. Troy is responsible for adapting Max Lucado's Hermie the Common Caterpillar into books and videos.
