Chris Carey : The American Darts Organization Book of Darts before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Darts Organization Book of Darts:

0 of 0 people found the following review helpful. Five Stars By R. Wilson Told me everything I wanted to know. 0 of 0 people found the following review helpful. Great book. By Mr. Dana J. Mitchell Excellent info. More strategy needed. More on equipment. More pics on holding darts and stances. But great writing by an expert. 0 of 0 people found the following review helpful. Good read By .Chief Good book well written and comprehensive for a beginner.

Darts is an increasingly popular game, and today there are some fifteen million regular dart players in the United

States alone. Incredibly, there have been virtually no reliable, concise guides to darts that would introduce new players to its rules, conventions, equipment, and techniques - until now. The American Darts Organization Book of Darts includes succinct, authoritative information on the rules of darts, how to play (and win) a dozen of the most popular games, notes on equipment, basic techniques and strategies, and much more. Also included are sample games, practice routines, and official tournament rules. Darts is a game for everyone. The American Darts Organization Book of Darts is everyone's perfect introduction to the game.

"We are proud to lend our name to a most useful and easily understood book for beginning players." --Tom Fleetwood, past executive director and co-founder of the American Darts Organization
