James Schwoch : The American Radio Industry and Its Latin American Activities, 1900-1939 (Illinois Studies Communication) before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Radio Industry and Its Latin American Activities, 1900-1939 (Illinois Studies Communication):

0 of 0 people found the following review helpful. This is a solid work for understanding the role of ...By J Justin Castro
This is a solid work for understanding the role of U.S. entities involved in radio in Latin America. It's become a classic work for understanding the development of communications in the region.

"Combines both in-depth archival research and a sophisticated theoretical framework to produce a first rate historical study of international broadcasting." -- Fred Fejes, author of *Imperialism, Media and the Good Neighbor: New Deal Foreign Policy*
