**Amy Krouse Rosenthal : The Answers: A Conversation Game** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Answers: A Conversation Game:

This quirky conversation game flips QA on its head. The cards provide the answers Jeopardy-style, and players come up with questions to match. With infinite possibilities for conversation, The Answers will get everyone talking.

About the Author Amy Krouse Rosenthal has written over twenty books for children and adults. She lives in Chicago. Find all the answers about Amy at [whoisamy.com](http://whoisamy.com).
