Joanna Toye : The Archers: Family Ties, 1951-1967 (BBC Radio Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Archers: Family Ties, 1951-1967 (BBC Radio Collection):

First of three single-voice readings covering the radio soap "The Archers" from its debut in 1951. This reading runs through the years up to 1967. They encompass the courtship and marriage of Phil and Grace, and her tragic death; Jack's drink problem; and the birth of Jennifer's illegitimate son.
