Joanna Toye : The "Archers": The Ambridge Chronicles, 1968-86 - Looking for Love (The Archers of Ambridge) before purchasing it in order to gage whether or not it would be worth my time, and all praised The "Archers": The Ambridge Chronicles, 1968-86 - Looking for Love (The Archers of Ambridge):

0 of 0 people found the following review helpful. This book is a good start on how to understand the Archers for us ...By Mark H. Thompson This book is a good start on how to understand the Archers for us 'newbies'. It's part of a trilogy and each book was excellent. The trilogy covers the Archers from the beginning of the series to 2000.

This is the second in the trilogy published to celebrate the forthcoming 50th anniversary of "The Archers". This book follows the fortunes of the next generation of "The Archers", as Dan and Doris's grandchildren search for happiness and love in the changing world of the 1970s and 80s.
