**From Brand: Amer Radio Relay League : The ARRL Operating Manual** before purchasing it in order to gage whether or not it would be worth my time, and all praised The ARRL Operating Manual:

1 of 1 people found the following review helpful. GREAT BOOKBy James P. BurrowVery good source for all areas of Ham Radio Operations. The Book came in as described and in great shape. It saved me quite a bit over buying a new book .Thanks for quick shipment.0 of 0 people found the following review helpful. AARRL Operating ManuelBy Nita HoopsLots of good info. for a new amateur radio operator...highly recommend.0 of 0 people found the following review helpful. Gives you what you need to knowBy ChrisThis isn't the latest version and some of the info is out of date but this still has plenty of good info.

A complete guide to Amateur Radio operating. Covers contesting, DXing, emergency communications, digital and

satellite operations, etc. This how to guide helps helps amateur radio operators learn to use the stations they've built. A must have reference.
