Lewis Ganson : The Art Of Close Up Magic [two volume set] before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art Of Close Up Magic [two volume set]:

Volume I The Art of Close-up magic compiled by Lewis Ganson-Copyright LL Publishing 1996. The greatest collection of close-up tricks ever assembled between two covers was republished in 1967....Volume 2 is a treasure house of superb and timeless close-up magic. Both volumes are in new condition.
