follows a logical progression all the way to actually doing your own paid voice overs. Highly recommend for anyone interested in pursuing a career full or part time in voice over! 1 of 1 people found the following review helpful. Best guide to voiceover work there is. By Todd Kuhns Fantastic book. Really goes over absolutely everything you could possibly need to know - not just about the craft, but, most importantly, about the BUSINESS. I've looked at a number of other books on V/O and none of them even come close. 0 of 0 people found the following review helpful. Great Book! By Hannibal Very informative book, I highly recommend it for anyone thinking of pursuing a career as a Voice Over Actor.
