Get he dice rolling, properlyBy Eric

J. Olague This little book is a must for any novice craps player. It might not make you rich, but it will save you some bucks, if you follow the expert advice. Best of all, it can fit easily in your back pocket, which makes for easy quick reference, anywhere. 0 of 0 people found the following review helpful. Win \$\$ By James Boscole This book tells you how to win. It outlines the best bets to make with the least risk. Never lost a craps after reading this book.

This is an excellent beginner's book is targeted for beginning players who want to learn the basics of this sometime-intimidating casino game. Easy-to-read and written in a conversational style, players learn how to understand the various bets and terminology and gives them the confidence to play like a pro. 13 quick-reading chapters explain all the different bets available including wagers in which the house has no edge whatsoever. There are good bets and bad bets, and the reader will soon learn how to tell the difference. From pass, come, and free odds bets, to place bets, field bets, don't come and the proposition bets, players will get a full understanding of the game. Includes money management strategies, glossary, illustrations and charts. New edition includes a revised introduction, the latest on betting 3X, 10x, and 100 x odds bets, the best strategies to take advantage of these new odds wagers, and explanations of the newest gimmick bets.
