Stanley Roberts : The Beginner's Guide to Winning Blackjack before purchasing it in order to gage whether or not it would be worth my time, and all praised The Beginner's Guide to Winning Blackjack:

0 of 0 people found the following review helpful. InterestingBy Delta88I enjoyed this book because it not only give methods of winning at blackjack based on the odds and methods of card counting but it gives the reader the real truth about how much you can really make trying to be a professional blackjack player which averages about what you could make at a minimum wage job.

Book by Roberts, Stanley
