**Gerald J. Lynam : The Best Blackjack Book Ever!!** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best Blackjack Book Ever!!:

0 of 0 people found the following review helpful. Definitely worth a readBy Paul GulyasThe claim of the title as being the the "best" book on the subject is perhaps debatable. But it is one of the better books to hit the shelves in recent years and it is an entertaing read as well for anyone who likes the game.

The Best Blackjack Book Ever!! is aptly named. There are no others which even approach it.This Book strikes at the heart of truly knowing the Game of Blackjack and WINNING at the Game.This is the Major Leagues. You will Quickly! Quickly! become a Blackjack Card Counter and you will be entertained while learning. A Nice Combination!The Author, an Advanced (+) Blackjack Card Counter, gives the Casual Player very simple specific instructions which result in that Player achieving a high percentage of the Win of a prolific Advanced Card Counter (and without the pain).Very importantly, you will also learn to avoid the Pitfalls of the Game, including avoiding the most grossly inaccurate advice offered by 'experts.'Gerald Lynam holds BS and MBA Degrees from Nice Places and is a Certified Public Accountant (Inactive). He is a former Officer in the United States Marine Corps, was a Senior Corporate Officer (Operations) for an SP500 Company and is a Member of various High IQ Societies. He lives in Arizona.Two (2) Blackjack Basic Strategy Cards included with every Book ordered.
