This is an ez play today book. One staff with the note names written with chords written above. The notes on the staff are big making it easy to read but on some of the longer pieces some page turns are needed and they don't always come at the best time. EZ play

today music can be played on just about anything but works best on portable keyboards or home organs with auto accompaniment0 of 0 people found the following review helpful. okay for a REAL beginnerBy easterheartmeh... it's ok from a beginner standpoint. Only chords and right hand hand, so VERY basic.
